

Tour of London

London is a vibrant, multi-cultural city, steeped with tradition and royal heritage. It is home to an incredible choice of traditional sights, famous landmarks, such as the London Eye and Millennium Bridge and a whole host of attractions. Arguably it has the best selection of museums, galleries and national collections in the world. It is a global financial powerhouse and centre for the arts. See for yourself how commerce and creativity have driven the city forward throughout its turbulent history from one-time imperial capital to a true world city.
